300/26 Dostyk Avenue

Almaty, Kazakhstan 050020

PAGE 30:

The beneficial ownership of Oxus' independent directors, Christophe Charlier, **Karim Zahmoul** and Shiv Vikram Khemka, who each hold 50,000 Founder Shares with a total market value of approximately \$1,695,000 based on the closing price of Class A Shares of \$11.30 on the Nasdaq on January 11, 2024. The Founder Shares would become worthless if Oxus does not complete a business combination within the applicable time period, as the independent directors have waived any right to redemption with respect to these shares;

- the fact that given the differential in the purchase price that the Sponsor paid for the Founder Shares as compared to the price of the Public Units sold in the IPO and the substantial number of Class A Shares that the Sponsor will receive upon conversion of the Founder Shares in connection with the Business Combination, **the Sponsor may earn a positive rate of return on their investment even if the Class A Shares trade below the price initially paid for the Public Units in the IPO** and the public shareholders experience a negative rate of return following the completion of the Business Combination;

PAGE 43: Lock-Up Agreements

In connection with the Closing, Oxus and certain directors/officers/five percent or greater shareholders of Borealis (the "Subject Party") will enter into Lock-Up Agreements, pursuant to which (A) 50% of the shares of New Borealis held by the Subject Party (the "Restricted Securities") will be locked-up during the period commencing from the Closing and ending on the earlier to occur of (i) 12 months after the date of the Closing and (ii) the date on which the closing price of common shares of New Borealis equals or exceeds \$12.00 per share (as adjusted to take into account any stock split, stock dividend, reverse stock split, recapitalization or similar event) for any 20 trading days within a 30-trading day period starting after the Closing, and (B) 50% of the Restricted Securities will be locked-up during the period commencing from the Closing and ending on 12 months after the date of the Closing, subject to certain specifications and exceptions.
