Sir Mark,

I attach a formal request to the Metropolitan Police Service, addressed to you as Commissioner, in respect of an allegation of perjury made by me as the alleged victim in financial remedy proceedings BV20D01752.

The request is in three parts:

- (i) that the allegation be recorded as a notifiable crime under the Home Office Counting Rules and the National Crime Recording Standard within 72 hours (seven days at the outer limit);
- (ii) that the matter be assessed on the facts under the framework set out in the published CPS Judicial Comments guidance; and
- (iii) that I be provided with a written reasoned response within fourteen days.

The request is anchored in the published statutory and policy framework and is supported by documentary evidence including extracts of the relevant SEC filings (CIK 1852973), the two signatures by Mr Zahmoul on successive Registration Statement amendments dated 5 and 11 January 2024, the SEC Form 8-K of 5 February 2024 reporting the Oxus Extraordinary General Meeting of 2 February 2024 at which shareholders approved the Business Combination, a chronological timeline of the documentary contradiction, the Applicant's annotated 153-page SEC filings index, and the public-record statement of even date which sets out the full factual and legal basis. The Applicant's correspondence with the Metropolitan Police Service Directorate of Professional Standards on 8 May 2026 is addressed in the supporting documents and quoted in full at section 5(a) of the formal request.

This is a supplementary submission to the existing Metropolitan Police criminal referral file CCR-6501-26-0100-000, operational engagement recorded 28 April 2026.

Respectfully,

Nadia Zahmoul Litigant in Person | BV20D01752 | Veritas Numquam Perit
