Dear all,

I attach Day 5 of the public record series — The Perjury on the Face of the Sworn Record.

This is the fifth instalment in the serialised public record I have been distributing since 20 April 2026. The previous instalments are available in the public archive at <https://github.com/nadiazahmoul/Zahmoul-v-SSJ-HMCTS-Public-Archive>.

Today's statement places on the public record a documentary contradiction between (a)

a sworn statement made by Mr Karim Zahmoul before the Family Division of the High Court on 19 February 2024 valuing his 50,000 Oxus Acquisition Corp Founder Shares at \$0, and (b) a Definitive Proxy Statement filed with the United States Securities and Exchange Commission thirty-four days earlier, signed by him as Director, recording those same 50,000 shares at a market value of approximately \$565,000.

A separate formal request to the Commissioner of the Metropolitan Police Service is sent by parallel email of today's date.

With kind wishes,

Nadia Zahmoul
