Dear Mr Brown,

This is email 3 of 4.

- The Devon Archer deposition (NZ-L-05) and the Congress Third Bank Records Memorandum (NZ-L-06) are formal US government documents. The deposition confirms Rakishev's presence at the Café Milano dinners with Vice President Biden, Hunter Biden, Karim Massimov, and Yelena Baturina under oath, and confirms the \$142,300 wire from Novatus Holdings. The congressional memorandum, based on bank records subpoenaed from six institutions, contains eighteen Rakishev references and formal findings on the ABLV Bank transactions.
- The two SDNY docket documents (NZ-L-07) are US429 and US433. US429 sets out the six questions Sater sought to put to Rakishev under oath — his relationships with Biden, Putin, Kadyrov, and Massimov — and references the now-infamous Café Milano photograph. US433 is Magistrate Judge Parker's order precluding that deposition. NZ-L-07 also documents Greenberg Traurig's dual role as attorneys for Rakishev in these SDNY proceedings and as attorneys of record for Oxus Acquisition Corp on all SEC filings signed by Rakishev and Karim Zahmoul.
- The network diagram (NZ-L-08c) maps the documented connections between the principals. The Hunter Biden laptop Kazakhstan section (NZ-L-12) identifies Marc Holtzman — former Vice Chairman of Barclays Capital and former Chairman of Kazkommertsbank — as the documented connector between Zahmoul and Rakishev.
- The SEC Whistleblower TCR confirmation (NZ-L-13) documents the submission of 9 October 2024 covering Oxus and Tavia, the Regulation S-K disclosure failure, and the IRS Criminal Investigation confirmed by Special Agent Robert McGarry, New York Field Office.

Yours sincerely,
