Dear Mr Brown,

This is the third and final exhibit bundle, completing the documentary record of Andrew Mountbatten-Windsor's documented relationships with Kenes Rakishev and David Stern.

- NZ-L-03 is the Daily Mail article of 20 May 2016 containing the primary documentary evidence of direct personal contact between Andrew and Rakishev. NZ-L-03a is the standalone image of the email itself — dated 14 April 2011, signed 'A. HRH The Duke of York KG', addressed 'Dear Kenes.' Buckingham Palace initially claimed the email was a forgery, then sought to block publication on privacy grounds. Both positions failed.
- NZ-L-04 is EFTA00760183 — the Epstein file document in which David Stern forwarded to Jeffrey Epstein the Bloomberg article reporting Andrew's fourth Kazakhstan trade visit on 20 April 2010. Stern's email was sent from Asia Gateway Ltd, 81 Fulham Road, London SW3 6RD. This is the document that places Epstein monitoring Andrew's Kazakhstan activities one year before the direct email to Rakishev.
- NZ-L-04a and NZ-L-04b are the BBC and Guardian investigations published in February 2026 following the DOJ release of the Epstein files. They establish Stern's documented role as the primary intermediary between Epstein and Andrew from 2011 onwards — controlling Andrew's diary on Epstein's instructions, passing information in both directions, and continuing to do so until at least February 2018, eight years after Andrew stated publicly that he had cut contact with Epstein.

Further material and documentary evidence are available upon request.

Yours sincerely,

Nadia Zahmoul
