Dear Sir or Madam,

I attach Day 2 of a serialised public record relating to Judicial Review AC-2025-LON-004293.

The document, *The Suppressed Clinical Evidence*, places before each recipient a single documentary fact, verifiable by direct comparison between two documents already on the record: the letter of Dr Leigh Poyser MBBS MRCPsych dated 26 March 2025, and the judgment of MacDonald J dated 8 May 2025.

The accompanying *Primary Statement of Harm* (18 March 2026) sets out the underlying legal framework. The *Accountability Map* identifies the institutional and individual recipients now placed on notice of this record.

Further statements in this serialized public record will follow.

Yours faithfully,

Nadia Zahmoul Litigant in Person nadia@rosekross.com
